

Upcoming Barney & Barney Seminar...

2012 Employee Benefits Legislative Update

Employers and health care reform: what you need to know.

Please join us as Lisa Nelson, Director of Compliance and Regulatory Affairs, examines what's in store for Employee Benefits and Human Resource Professionals in the coming year.

Lisa will discuss new legislation and updates to Health Care Reform with specific focus on the following topics:

- Health Care Reform – Form W-2 Reporting, Women's Preventive Care Requirements, Summary of Benefits and Coverage and Uniform Glossary of Terms
- Update on Same-sex Marriage, Civil Union, and Domestic Partner state law changes to include Hawaii and Illinois
- 2012 IRC Limits (HDHP, HSA, 401K, etc.)
- Commuter Plan Limits
- HITECH Final Regulations

Space is limited. Register today!

FEATURED SPEAKER

LISA R. NELSON Esq.

Director of Compliance and Regulatory Affairs, Barney & Barney LLC

Ms. Nelson has over ten years experience in compliance, from the perspective of the provider, advocate, plaintiff's attorney and defense attorney. Her proactive approach to compliance issues is a valuable resource to Barney & Barney clients. She provides executives and clients with educational and informative pieces on new and existing regulations that impact our industry and is readily available to answer any questions. She is hands-on and institutes regular educational sessions and compliance audits.
